FINANCIAL TERMS & ABBRIVATIONS

- **CONSORTIUM:** A consortium is a group made up of two or more individuals, companies, or governments that work together to achieving a common objective.
- **PCA FRAMEWORK:** Prompt Corrective Action - Under the PCA framework, lenders which slip below certain financial parameters such as capital ratios, asset quality and profitability will be under the close watch of RBI.
- **BAD BANKS:** A 'bad bank' is a bank that buys the bad loans of other lenders and financial institutions to help clear their balance sheets. The bad bank then resolves these bad assets over a period of time. When the banks are freed of the NPA burden, they can take a more positive look at the new loans.
- **TRAI:** Telecom Regulatory Authority of India (TRAI) Act, 1997
- **NCD:** Non-Convertible Debentures. It is a financial instrument issued by Corporates for specified tenure to raise resources / funds through public issue or private placement. This debt instrument cannot be converted into equity. It is a fixed income instrument.
