## Top News

The Securities and Exchange Board of India (SEBI) brought in two new regulations recently that aim to enhance the investment experience in mutual funds. One brought in an additional layer of protection for investors in fixed-income products and another gave equity investors an additional category to invest in, as per their risk and return preference.

Many investors are looking at guaranteed return plans from life insurers as an alternative to bank fixed deposits (FD). Insurers offer tax-free guaranteed returns for the long term if investors stay until the policy matures.

## Terminology

- **Balloon Loan:** A loan that is structured so that the small business owner makes regular repayments on a predetermined schedule and one much larger payment, or balloon payment, at the end.
- **Jonestown Defence/ Suicide Pill:** A defence mechanism against hostile takeovers. The target firm employs tactics that might threaten its own existence, so as to thwart an imposing acquirer's bid.
- **Debt Consolidation:** It is a process that lets you combine multiple loans into a single loan. The advantages are possibly reducing the interest rates on the borrowed funds as well as lowering the total amount you repay each month.
- **Microloan:** The loans made through non-profit, community-based organizations and they are most often for amounts under \$50,000.
